FISSAGGIO BIADESIVO

Il sistema biadesivo 3M è l'alternativa a rivetti e viti per le maniglie in alluminio AL 0400 V, AL 0401 V, AL 0404 V e AL 0408 V.

Caratteristiche del fissaggio biadesivo:

- Non richiede forature, saldature, rettifiche o rifiniture.
- Ha eccellenti proprietà sigillanti con smorzamento delle vibrazioni e compensazione dei diversi coefficienti di dilatazione termica dei materiali.
- Mantiene inalterata la sua tenuta nel tempo.
- Resiste ai raggi UV ed ai detergenti chimici.
- Riduce i costi di montaggio poichè si utilizza facilmente anche senza l'intervento di un installatore.

PREPARAZIONE DELLE SUPERFICI

Per ottenere un'adesione ottimale occorre che la superficie dove verrà applicata la maniglia sia pulita con l'apposita salviettina (contenuta nel kit), asciutta e a temperatura ambiente (minimo 21°C - max 38°C).

Come solventi per la pulizia si possono usare anche eptano o alcool isopropilico più acqua.

Dopo aver tolto la linguetta protettiva posta sulla striscia biadesiva si effettua una decisa pressione tra maniglia e supporto.

Il 90% della tenuta si raggiunge dopo un giorno e trascorse 72 ore si ha l'assestamento definitivo.

Per aumentare ancora la presa in superfici a contatto con l'acqua è sufficiente riscaldare l'area a 70°C per circa un'ora.

DOUBLE-SIDED ADHESIVE

The 3M double-sided adhesive system is the alternative to rivets and screws for AL 0400 V, AL 0401 V, AL 0404 V and AL 0408 V aluminium handles.

Features of the double-sided tape:

- Does not require drilling, welding, grinding or finishing touch.
- Offers excellent seal properties, reduces vibrations and compensates the different coefficients of thermal expansion of materials.
- Provides long-lasting tightness.
- Is resistant to UV rays and chemical cleaners.
- Reduces installation costs, as it is easy to use without requiring the help of a professional installer.

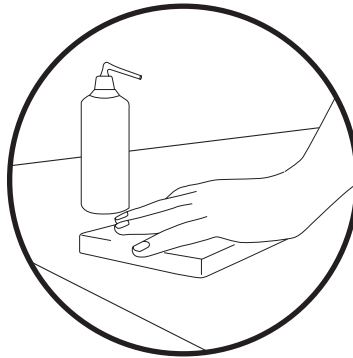

PREPARING THE SURFACES

To achieve optimal adhesion, clean the surface where the handle will be installed using the special cloth (provided in the kit). The surface should be at room temperature (min. 21°C, max 38°C). Heptane or an isopropyl alcohol and water mix can be used to clean the surface.

Remove the protective strip from the double-sided tape and apply firm pressure on the handle and support. 90% of adhesive bond strength will be achieved after one day and the final result will be achieved after 72 hours.

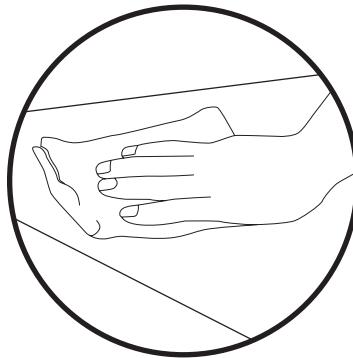

To further enhance adhesive bond strength on surfaces that may come into contact with water, heat the area to about 70°C for an hour.

CONDIZIONI GENERALI DI VENDITA STANDARD TERMS OF SALE

PREMESSA

Salvo espressa deroga risultante da apposito atto scritto, ogni compravendita dei prodotti OMP PORRO S.r.l. è regolata dalle seguenti condizioni generali di vendita che costituiscono parte essenziale del contratto e che si intendono pertanto accettate dal Compratore ancorché dallo stesso non sottoscritte. Qualsiasi clausola unilaterale apposta dal Compratore nei documenti da lui sottoscritti e/o nella sua corrispondenza, che sia contraria o comunque in aggiunta alle seguenti condizioni generali od a quelle speciali espressamente approvate per iscritto dal Venditore, si intende come non scritta ed è priva di ogni effetto.

PREMISES

Unless otherwise agreed in writing, all sales of OMP PORRO S.r.l. products are regulated by the following standard terms of sale. These terms are integral part of the contract and are meant to be accepted by the Purchaser even if they haven't been signed by him. Any clause unilaterally specified by the Purchaser in the documents he has signed and/or in his correspondence, which may be against or in addition to the following standard terms or the special terms expressly approved in writing by the Seller, shall be deemed non-existent and void.

PERFEZIONAMENTO DEL CONTRATTO E PREZZI

La compravendita si intende perfezionata con la conferma scritta del Venditore o con inizio delle consegne. I prezzi concordati non comprendono prestazioni ed oneri accessori (quali IVA, spese di trasporto e così via). Per forniture continuative o consegne ripartite, il Venditore si riserva la facoltà di adeguare i prezzi concordati - con preavviso di trenta giorni - agli aumenti di costo delle materie prime, della mano d'opera e degli oneri fiscali che dovessero verificarsi nel corso della fornitura.

EXECUTION OF THE CONTRACT AND PRICES

The sale will be considered as accomplished when the Seller confirms in writing or when deliveries are started. Agreed prices are not inclusive of any additional charges or services (such as VAT, transport, etc.). In case of continuous supplies or partial shipments, the Seller reserves the right to adjust the agreed prices to the increases in cost of raw materials, labour and fiscal charges that might occur during the supply. A 30-day notice shall be given.

PATTO DI RISERVATO DOMINIO E RISOLUZIONE DEL CONTRATTO

Il Compratore acquista la proprietà della merce fornitagli solo con l'intero pagamento del prezzo - IVA compresa - e degli eventuali oneri e spese accessorie. Il rischio di perimento o deterioramento della merce tuttavia è a suo carico ed egli sarà tenuto a corrispondere l'intero prezzo. L'incompleto pagamento darà diritto al Venditore di richiedere la risoluzione del contratto e la restituzione della merce e quanto già pagato resterà acquisito al Venditore a titolo di indennità, salvo il diritto di richiedere il risarcimento per i maggiori danni.

RETENTION OF TITLE AND CANCELLATION OF THE CONTRACT

The Purchaser acquires the ownership of merchandise only after the entire payment of the price - VAT and additional expenses included. The risk of loss or damage to the merchandise is nevertheless at the expense of the Purchaser who will be obliged to pay the entire sum. The incomplete payment gives the Seller the right to demand the cancellation of the contract and the restitution of the merchandise. The downpayment remains as indemnity for the Seller who also has the right to claim for further damages.

CONDIZIONI GENERALI DI VENDITA STANDARD TERMS OF SALE

GARANZIA E DENUNCIA DI VIZI

Eventuali vizi o non conformità della merce devono essere segnalati dal Compratore al Venditore - sempre a pena di decadenza - entro otto giorni dal relativo ricevimento. La garanzia non opera ove i difetti rilevati siano imputabili a negligenza del Compratore, ovvero a circostanze che comunque non possono ricollegarsi a difetti di produzione.

GUARANTEE AND NOTICE OF DEFECTS

The Seller shall be notified by the Purchaser of any faults, latent defects or lack of compliance of the products within eight days from the receipt of goods, otherwise the claim will be void. The guarantee will not be effective if the faults found are ascribable to the Purchaser's carelessness or any other circumstances that cannot be ascribed to manufacturing defects due to the Seller.

OBBLIGHI DEL COMPRATORE

Il Compratore deve effettuare i pagamenti puntualmente, con le modalità e nei termini precisati in fattura. Sui ritardati pagamenti decorreranno gli interessi nella misura stabilita dalla Legge.

In caso di ritardo nei pagamenti il Venditore ha diritto di sospendere immediatamente ogni fornitura, anche se dipendente da altri contratti con lo stesso Compratore.

Il mancato pagamento nei termini pattuiti comporta in ogni caso la decadenza del Compratore dal beneficio del termine.

In caso di ritardato pagamento saranno addebitati gli interessi di mora previsti dal D. Lgs. n. 231 del 09/10/2002, pari al tasso della Banca Centrale Europea maggiorato di 7 punti percentuali.

PURCHASER'S OBLIGATIONS

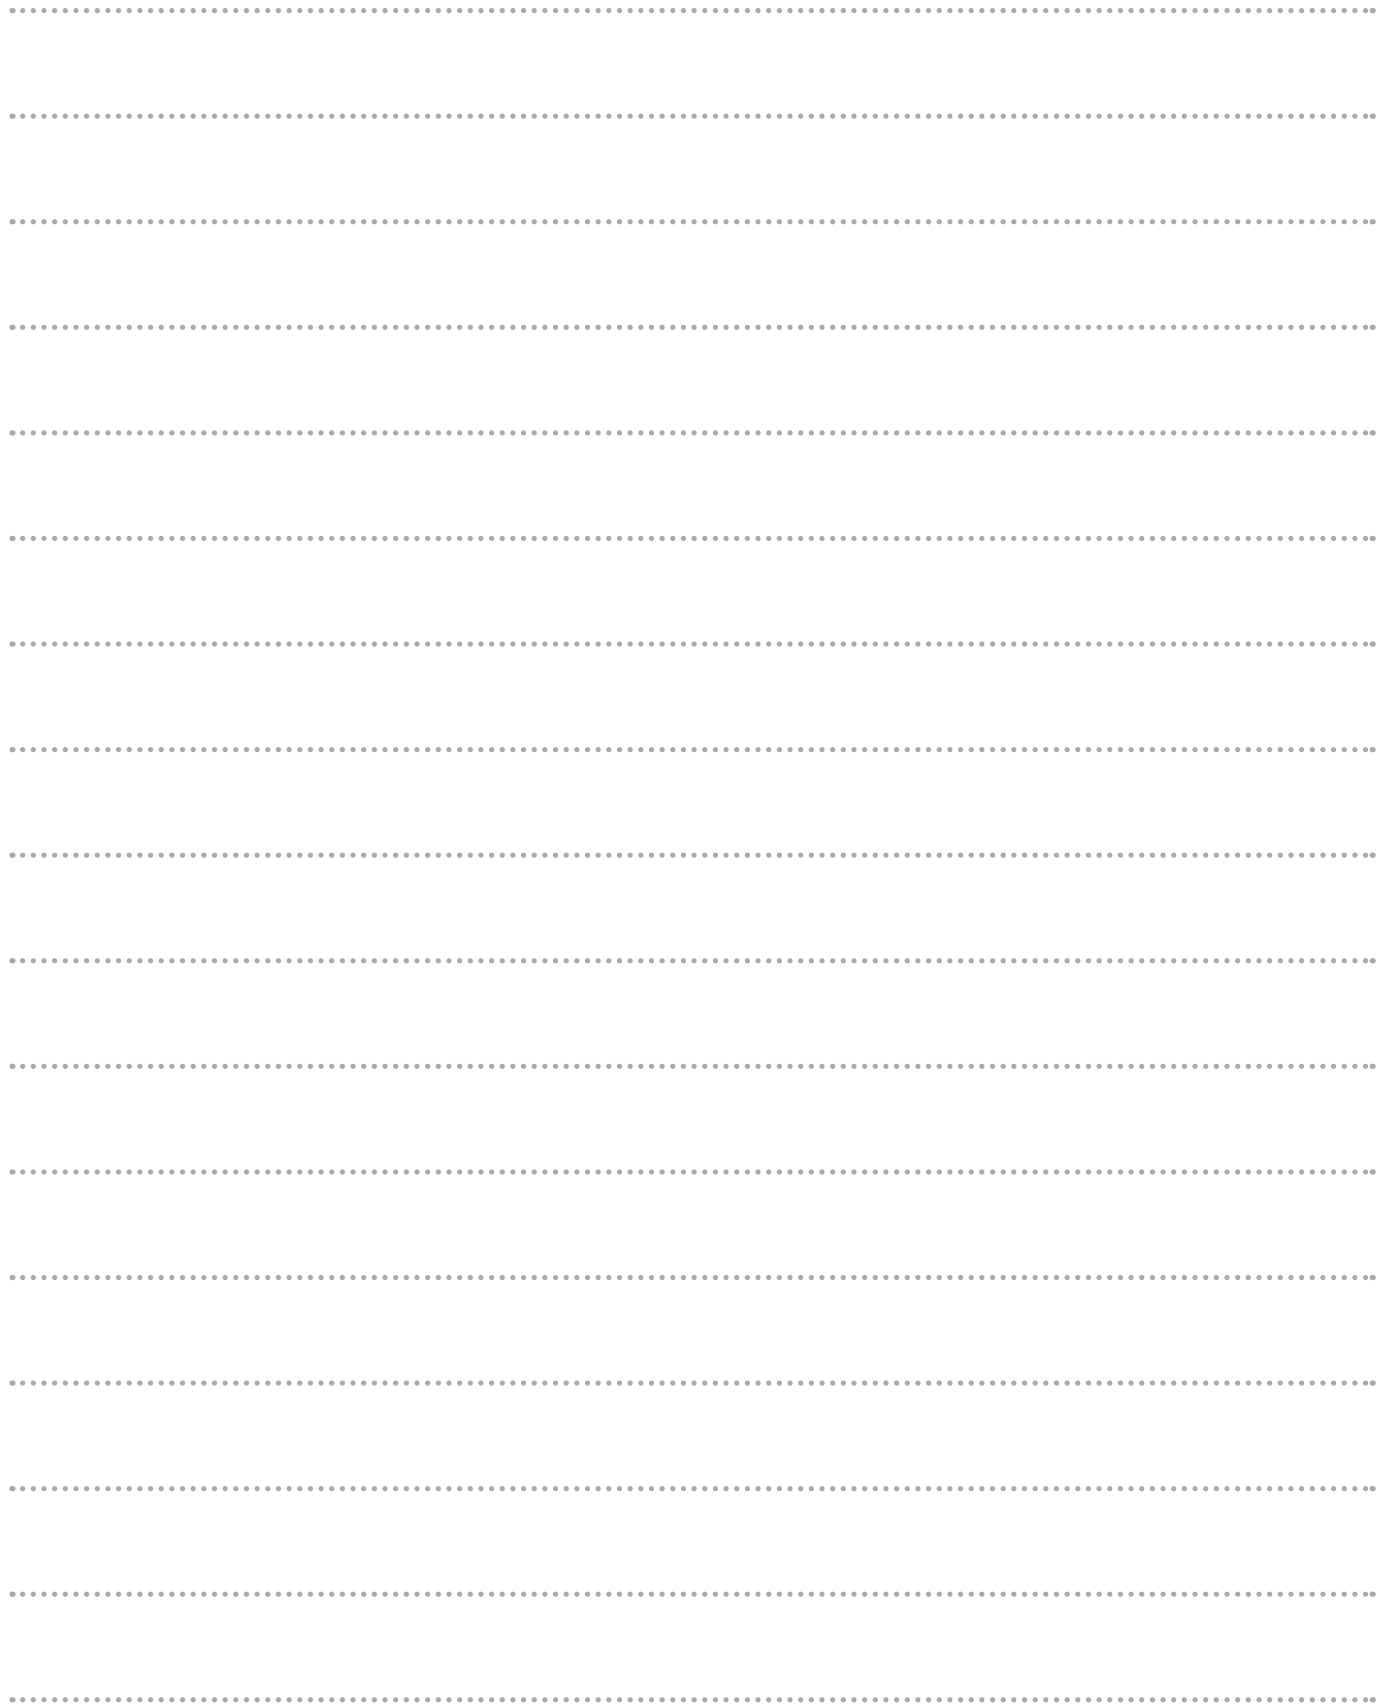

The Purchaser shall carry out payments on time according to the terms and conditions stated on the invoice. Late payments will be charged of interests at the rate provided by law. In case of late payments, the Seller will be entitled to stop immediately any delivery even if related to other contracts with the same Purchaser. Failure of payments within the agreed time will in any case imply for the Purchaser the loss of the credit facilities that have been granted. In case of delayed payment we shall charge you the interests on arrears provided for by the Legislative Decree No. 231 dd. 09/10/2002, equal to the rate of the European Central Bank increased of 7 percentage points.

LEGGE APPLICABILE E FORO COMPETENTE

Il contratto è regolato dalla legge italiana. Per qualsiasi controversia inerente o conseguente alla compravendita è competente in via esclusiva l'Autorità Giudiziaria di Como.

APPLICABLE LAW AND JURISDICTION

This contract is governed by the Italian Law. Any controversy in connection with or arising out of a sale hereunder shall be referred to the Court of Como, Italy.
